

FLU VACCINES ARE NOW AVAILABLE!

At Glenwood Medical Practice, we will be using the 2024 quadrivalent vaccine for the flu vaccination service when the new vaccine becomes available.

Free Government Funded flu vaccines are available:

- For children 5yrs and under
- pregnant women
- 65+ years
- all individuals with medical risk conditions (Talk to your GP)

If *ineligible* for **Government funded vaccine**, there will be a fee of \$38.85. Medicare rebate will be processed on your behalf. Out-of-pocket cost \$20.
